UHI – Digital Education Week
Jisc – Inspiring you

Image: i-studentglobal website

My role as UHI's Account Manager

» Central point of contact

» To help navigate through Jisc products, tools and resources

» Update our members on new products etc

» Feedback

» In some circumstances working as a link between you and the relevant teams within UHI.

Who are Jisc?

We are a not-for-profit membership organisation, owned by the sectors we serve.

We work with you to:

Deliver considerable collective digital advantage, financial savings and efficiencies for UK colleges, learning providers and universities

Ensure these benefits are sustained and intelligently further enhanced

Do all this as affordably, efficiently and as cost effectively as possible

› Lecture Capture

Sign up for Jisc e-mail updates

» Sign up for our fortnightly e-newsletter for all the latest news, guidance, and events, tailored to your role and sector.

» https://www.jisc.ac.uk/jiscannounce?utm_content=buffer2ea2e&utm_medium=social&utm_source=twitter.com&utm_campaign=buffer
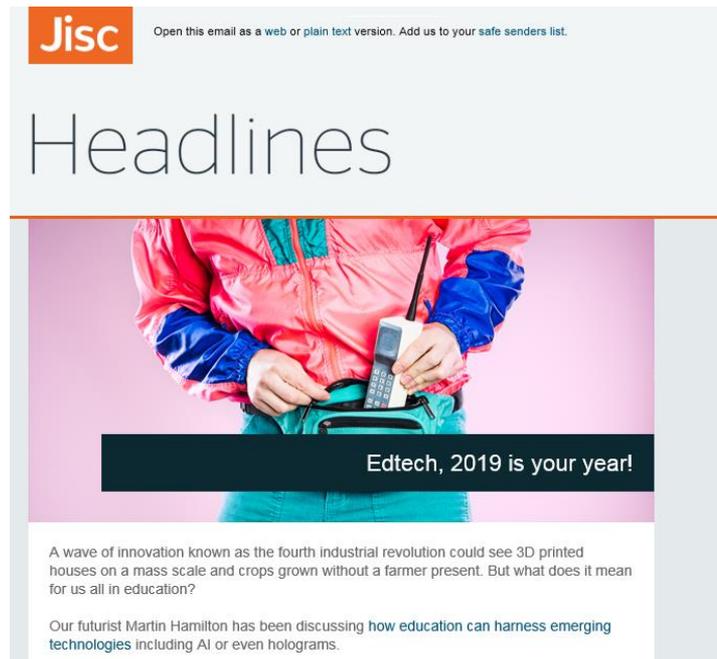

Apprenticeship Toolkit

» Launched in March 2018

» Based on interviews with colleges, ITPs, employers and awarding organisations

» In collaboration with sector bodies

» Based on an apprenticeship lifecycle / journey view

» New version coming soon for higher and degree apprenticeships

Research Data Management Toolkit

» This toolkit aims to support you by signposting resources from a wide range of websites and organisations, sorted by topic and audience.
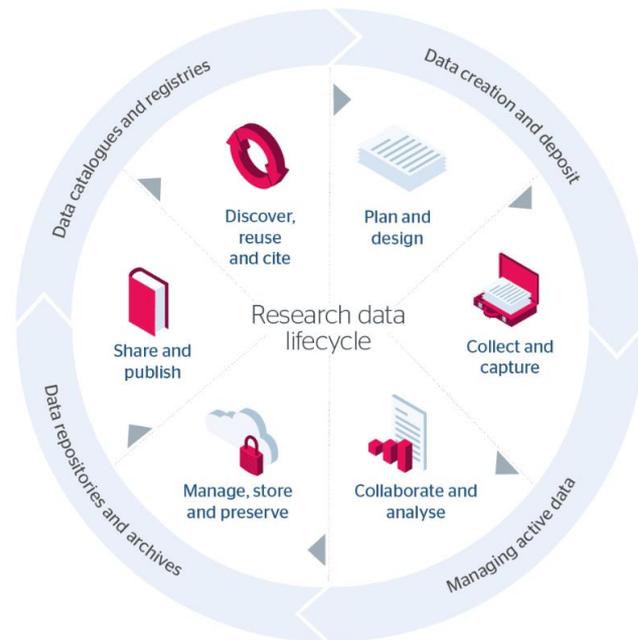

E-Books for FE

» Currently free to subscribe to and use

» Blended learning:

› Can be used in classroom – unlimited concurrent usage license

› Can be used at home

» Can be linked to from VLE – book, chapter, page

» Supports citation – made easy for the learner

» Available 24/7 to all relevant students

» Workbooks available

Jisc Collections (HE)

» We represent the interests of all UK higher education institutions by:

- Negotiating the best possible price, terms, and access conditions for licensed digital content

- Supporting the transition to open access through negotiated off-setting arrangements for article processing charges

- Working closely with librarians, and other sector representatives, to identify content that will add value to their collections

- Providing a single online portal to manage subscriptions, acquisitions and invoicing

- Offering a dedicated helpdesk to support institutions with subscriptions and purchasing of Jisc-negotiated content

- Carrying out research into innovative resources, licensing models and evaluation tools

- Sharing knowledge about e-resource acquisition and research

How to find free content

  › Interactive Learning Resources for Skills

» Wide range of subject areas and skill levels covered
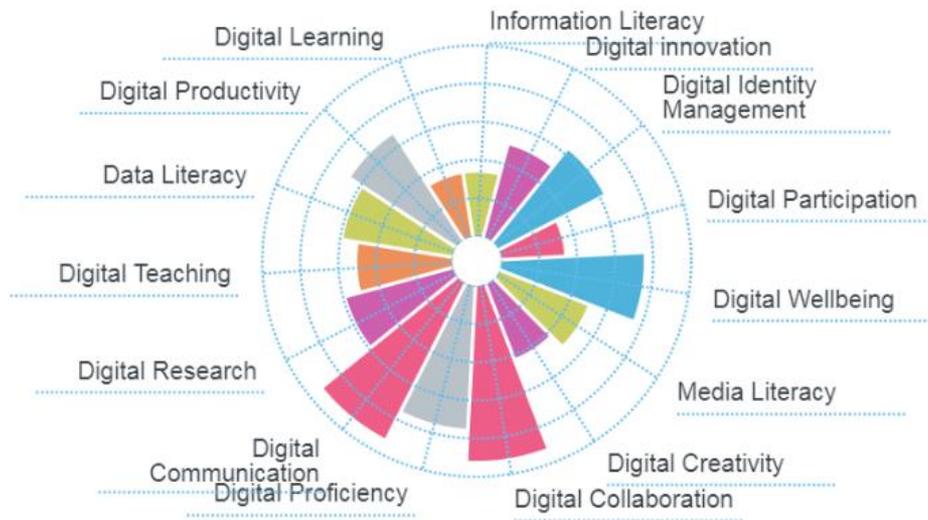

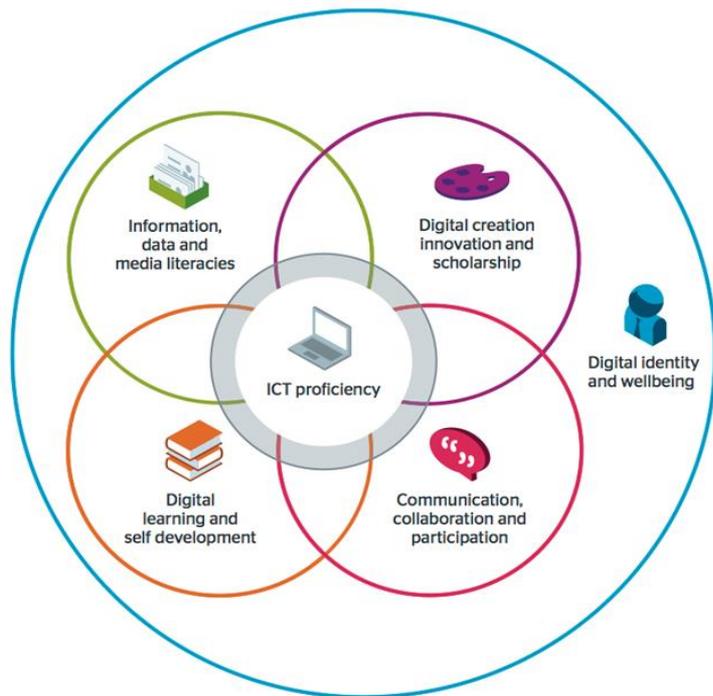

» Created by the sector for sharing and reuse

» Jisc Store

» https://store.jisc.ac.uk/#/home

Jisc

Building Digital Capabilites Discovery Tool

It is:

➢ A self-administered quiz for staff and students (not available free of charge for students) about digital practices
(in education)

➢ Designed to give useful feedback including 'next steps' and links to resources

➢ Reflective, informative and developmental

It is not:

➢ An objective measure of digital performance

➢ Designed to provide detailed data about what staff can/cannot do (see tracker)

➢ A complete learning resource or course of study
